### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

### ***Basis for Disclaimer of Opinion***

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 12, which was certified by SunTrust Bank, the trustee of the Plan, except for comparing this information with the related information included in the financial statements. We have been informed by the Plan Administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained certifications from the trustee as of December 31, 2012 and 2011, and for the year ended

December 31, 2012, that the information provided to the Plan Administrator by the trustee is complete and accurate.

***Disclaimer of Opinion***

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

***Other Matter***

The supplemental schedules of assets (held at end of year) as of December 31, 2012 and of reportable transactions for the year ended December 31, 2012, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purposes of additional analysis and are not a required part of the financial statements. These supplemental schedules are the responsibility of the Plan's management. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules.

**Report on Form and Content in Compliance with DOL Rules and Regulations**

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

## INDEPENDENT AUDITOR'S REPORT

To the Governing Committee with respect to  
National Railway Carriers and United Transportation Union Health and Welfare Plan

### **Report on the Financial Statements**

We were engaged to audit the accompanying financial statements of the National Railway Carriers and United Transportation Union Health and Welfare Plan (the Plan), which comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2012 and 2011, and the related statements of changes in net assets available for benefits and of changes in plan benefit obligations for the year ended December 31, 2012, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

### ***Basis for Disclaimer of Opinion***

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 12, which was certified by SunTrust Bank, the trustee of the Plan, except for comparing this information with the related information included in the financial statements. We have been informed by the Plan Administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained certifications from the trustee as of December 31, 2012 and 2011, and for the year ended

December 31, 2012, that the information provided to the Plan Administrator by the trustee is complete and accurate.

***Disclaimer of Opinion***

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

***Other Matter***

The supplemental schedules of assets (held at end of year) as of December 31, 2012 and of reportable transactions for the year ended December 31, 2012, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purposes of additional analysis and are not a required part of the financial statements. These supplemental schedules are the responsibility of the Plan's management. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules.

**Report on Form and Content in Compliance with DOL Rules and Regulations**

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

## NOTES TO FINANCIAL STATEMENTS

### Note 1. Description of the Plan

The following description of the National Railway Carriers and United Transportation Union Health and Welfare Plan (the Plan) provides only general information. Participants should refer to the Plan's Summary Plan Description for a more complete description of the Plan's provisions.

#### *General*

The Plan and related Trust were established in 2000 pursuant to collective-bargaining to provide health and other related benefits to eligible employees and retirees of participating railroads and their beneficiaries. The Plan is administered by the Governing Committee, which consists of the United Transportation Union Health and Welfare Committee and National Carriers' Conference Committee and is subject to the provisions of the Railway Labor Act, as amended, and the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### *Benefits*

The Plan benefits are provided on a self-insured basis, except for life insurance and accidental death and dismemberment insurance, which are provided by Metropolitan Life Insurance Company through an experience-rated insurance contract. Plan benefits are primarily administered by a third party administrator, UnitedHealthcare, pursuant to an Administrative Service Only contract.

#### *Eligibility*

Upon satisfying the eligibility and coverage requirements, as outlined in the Plan's Summary Plan Description, employees of the participating railroads and their dependents are entitled to receive the benefits provided by the Plan. Additional extended benefit coverage provisions may be available for participants who become disabled (including pregnancy), furloughed, suspended, or dismissed. (See Note 9 regarding the liability recognized for financial statement reporting purposes for extended benefit coverage.)

#### *Funding*

The participating railroads' and participants' obligation to provide contributions to the Plan arises pursuant to the terms and conditions of the collective-bargaining agreements, Plan document and related practices. Contributions to the Plan are remitted by the participating railroads on a monthly basis in the amount determined after discussion with UnitedHealthcare. The railroads fund the obligations of the Plan as they become due and payable during the year.

## NOTES TO FINANCIAL STATEMENTS

### Note 1. Description of the Plan (continued)

#### *Tax status*

The Trust established pursuant to the Plan to hold the Plan's assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code and, accordingly, the Trust's net investment income is exempt from income taxation. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service, and the Plan Administrator believes that the Plan, as amended, continues to qualify and to operate as designed.

Representatives of the Plan Sponsor considered the Plan's tax positions relative to FASB ASC 740, Income Taxes (which includes FASB Interpretation No. 48 (FIN 48) – Accounting for Uncertainty in Income Taxes) and believes that the Plan has maintained its tax exempt status and has taken no uncertain tax positions. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is subject to routine examination by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress. Based on the three year statute of limitations that restricts the tax filing from examination by the IRS and other taxing jurisdictions for income tax purposes, the Plan Sponsor believes it is no longer subject to examinations by these jurisdictions for this purpose for years prior to 2009.

#### *Plan termination*

In the event of termination of the Plan, the Trust's remaining assets will be used to provide for the payment of any and all obligations of the Plan. Such payments shall be for the exclusive benefit of the Plan participants and beneficiaries and to defray the administrative expenses of the Plan.

### Note 2. Significant Accounting Policies

#### *Basis of accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America except that benefit payments are recorded when paid.

#### *Use of estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

## NOTES TO FINANCIAL STATEMENTS

### Note 2. Significant Accounting Policies (continued)

#### *Valuation of investments and income recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

#### *Fair value of financial instruments*

The Plan Sponsor believes the carrying value of financial instruments, as stated in the financial statements, approximates their fair value.

#### *Participating railroads' contributions and contributions receivable*

Each participating railroad provides a monthly contribution to the Plan as determined annually. Participating railroad contributions are recognized as revenue in the period in which the compensated service giving rise to the contribution is rendered.

#### *Participants' contributions and contributions receivable*

Employees of the participating railroads provide monthly contributions to the Plan pursuant to the terms and conditions of the collective-bargaining agreements. Participant contributions are recognized as revenue in the period in which the compensated service giving rise to the contribution is rendered.

There is no contribution requirement for eligible retirees of participating railroads.

#### *Participants' COBRA contributions*

Participants and beneficiaries, who experience a qualifying event, as defined by Federal COBRA guidelines, may self-pay to continue coverage in the Plan for a limited period of time. Participants' COBRA contributions are recognized when due and payable.

#### *Formulary rebates*

Formulary rebates are recorded by the Plan when earned. Formulary rebates totaling \$11,360,815 have been earned by the Plan and were netted against prescription drugs in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2012.

## NOTES TO FINANCIAL STATEMENTS

### Note 2. Significant Accounting Policies (continued)

#### *Terminated and withdrawing railroads' withdrawal liability receivable*

Upon termination or withdrawal from the Plan in whole or in part, a railroad is assessed a withdrawal liability, as provided for pursuant to the Plan document, which approximates the individual railroad's claim run-out liability. This run-out liability is due and payable 10 days subsequent to the railroad's receipt of a bill for such payment. As of December 31, 2012 and 2011, there were outstanding amounts receivable of \$22,352 from terminated or withdrawn railroads as it relates to the withdrawal liability.

#### *Allowance for doubtful accounts*

The Plan utilizes the allowance method to account for uncollectible receivables. Unless otherwise noted, an allowance for doubtful accounts for the Plan's receivable balances is not considered necessary as probable uncollectible amounts have been determined by the Plan Administrator to be insignificant to the financial statements.

#### *Amounts due from participating railroads*

The amounts due from participating railroads represent an unfunded commitment, pursuant to the collective-bargaining agreements, Plan document and related practices, by each participating railroad, to contribute to the Plan sufficient funds to enable the Plan to pay the benefits provided by it for that railroad's employees and their eligible dependents.

#### *Subsequent Events*

The Plan has evaluated subsequent events through October 11, 2013 the date the financial statements were available to be issued.

#### *Reclassification*

Certain 2011 amounts have been reclassified to conform to the current year presentation. These reclassifications had no effect on net assets available for benefits or changes in net assets available for benefits.

### Note 3. Investments

Except for the funding agreement with Metropolitan Life Insurance Company, the Plan's investments are held by a bank administered trust fund. The following table represents the fair value of those investments as of December 31, 2012 and 2011. Investments that represent 5% or more of the Plan's net assets are separately identified.

\* Investments held as of December 31, 2012 and December 31, 2011 were in Federated Treasury Obligation MM-1 #68 FFS.

### Note 4. Funding Agreement (See Note 3)

In 2008, the Plan entered into a Funding Agreement (Agreement) with Metropolitan Life Insurance Company (MetLife). Under the Agreement, an initial deposit was made from the Plan's premium stabilization reserve to MetLife. These funds were invested in the fixed component of the Agreement, which had a one-year term and earned interest at a set rate that was credited to the account upon maturity.

The Agreement contains an automatic renewal clause: upon expiration of the fixed term component of the Agreement, and without further action from the Plan, the funds convert to a short-term component of the Agreement. Since inception, additional deposits have been made from the Plan's premium stabilization reserve to MetLife and funds invested in the Agreement have moved between the fixed term and short-term component several times.

These funds are held in the general assets of MetLife and are subject to the financial strength and claim-paying ability of MetLife. The Agreement is recognized in the Plan's financial statements at cost, which approximates fair value, principal plus accrued interest, as reported to the Plan by MetLife.

During the 2011 calendar year, the funds were invested in the short-term component of the Agreement and earned interest based on the discount rate of the six month Treasury bills set at the first weekly auction in the month plus 0.25%. The balance of the Agreement as of December 31, 2011, principal plus accrued interest, was \$965,734.

On January 27, 2012, the Plan converted all funds from the short-term component to the fixed term component of the Agreement for a one-year term, which earns interest at 1.08%. The balance of the Agreement as of December 31, 2012, principal plus accrued interest, was \$975,654.

## NOTES TO FINANCIAL STATEMENTS

### Note 5. Premium Stabilization Reserve

The Plan has funds held in a premium stabilization reserve with Metropolitan Life Insurance Company in connection with its experience-rated life insurance and accidental death and dismemberment insurance contract. The funds may be withdrawn at any time and earn interest based on the discount rate of the six month Treasury bills set at the first weekly auction in the month plus 0.25%. The premium stabilization reserve has been included as an asset of the Plan until such amounts are used to pay premiums or are withdrawn by the Plan. The reserve is nonforfeitable should the insurance contract terminate.

### Note 6. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

#### *Level 1*

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

#### *Level 2*

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

#### *Level 3*

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

## NOTES TO FINANCIAL STATEMENTS

### Note 6. Fair Value Measurements (continued)

The valuation methodologies used for assets measured at fair value as of December 31, 2012 and 2011 are as follows:

#### *Money market funds*

Shares of a money market portfolio are considered cash equivalents and are valued at their carrying amount due to their short-term nature.

#### *Funding agreement with Metropolitan Life Insurance Company*

The Plan's funding agreement with Metropolitan Life Insurance Company (MetLife) is recognized on the financial statement at cost, which approximates fair value, principal plus accrued interest. Funds held with MetLife earn interest at an agreed upon interest rate for a specific term with interest earnings paid at maturity. (See Note 4.)

The following table presents by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2012 and 2011.

#### Assets at Fair Value as of December 31, 2012

	<u>Level 1</u>	<u>Level 3</u>	<u>Total</u>

Total assets at fair value	<u>\$165,764,315</u>	<u>\$ 965,734</u>	<u>\$166,730,049</u>

The Plan has no assets which meet the criteria for level 2 reporting and, therefore, this level has been excluded from the table above.

## NOTES TO FINANCIAL STATEMENTS

### Note 6. Fair Value Measurements (continued)

#### *Level 3 Gains and Losses*

The following table presents a summary of changes in the fair value of the Plan's level 3 assets for the year ended December 31, 2012:

Level 3 Assets <u>Year Ended December 31, 2012</u>	
Balance, beginning of year	\$ 965,734
Interest credited during the year	<u>9,920</u>
Balance, end of year	<u>\$ 975,654</u>

#### *Quantitative Information about Significant Unobservable Inputs Used in Level 3 Fair Value Measurements*

The following table represents the Plan's level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments as of December 31, 2012, and the significant unobservable inputs:

<u>Instrument</u>	<u>Fair Value</u>	<u>Principle Valuation Technique</u>	<u>Term</u>	<u>Unobservable Inputs</u>	<u>Significant Input Values</u>
Funding agreement	\$975,654	Cost plus accrued interest	1 year	Interest rate	1.08%

In determining the reasonableness of the valuation methodology of this investment, the Plan Sponsor evaluates a variety of factors including review of methods and assumptions used by external sources, economic conditions, financial strength and claim-paying ability of MetLife, and the non-marketable nature of the investment.

### Note 7. Plan Contributions

The participating railroads do not differentiate their monthly contributions to the Plan between that which is paid on behalf of the participating railroad and that which is paid on behalf of the Plan participant. Therefore, the Plan Administrator estimates participants' contributions receivable and participants' contributions by applying blended employee cost sharing contribution rates to the respective employee counts. The blended employee cost sharing contribution rates are calculated based on collectively bargained participant contribution rates and hospital payment rates, including the

## NOTES TO FINANCIAL STATEMENTS

### Note 7. Plan Contributions (continued)

"Hospital Dues Offset", reported within the NCCC Rate Circulars. The resulting amounts are reclassified from the total participating railroads' contributions receivable and participating railroads' annual contributions and reported as participant contributions receivable and participant contributions, respectively. This methodology was utilized in both 2012 and 2011.

### Note 8. Post-Retirement Benefits

The post-retirement benefits provided by the Plan to eligible retirees of participating railroads are limited to the fully insured life insurance and accidental death and dismemberment insurance benefits provided by MetLife.

The post-retirement benefit obligation represents the total actuarial present value of those estimated future benefits that are attributed to employee service rendered to December 31<sup>st</sup>. Post-retirement benefits include future benefits expected to be paid to or for: (1) currently retired employees (eligible retirees) and (2) active employees after retirement from service with the participating railroads. Prior to an active employee's full eligibility date, the post-retirement benefit obligation for these employees is the portion of the expected post-retirement benefit obligation that is attributed to that employee's service in the industry rendered to the valuation date.

The actuarial present value of the expected post-retirement benefit obligation is determined by the Plan's consulting actuary, Towers Watson, and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of appropriate decrements) between the valuation date and the expected date of payment.

Because the post-retirement benefits provided by the Plan are limited to fully insured life insurance and accidental death and dismemberment insurance benefits, the health care cost trend rate assumption is not applicable to the post-retirement benefit calculation.

The cost of providing Plan benefits depends on demographic factors such as retirement, mortality, turnover, and plan participation. The United States Railroad Retirement Board performs a valuation of Railroad Retirement Benefits every three years, which includes analysis and development of current demographic assumptions. The Plan's consulting actuary relied upon this analysis as representative of the experience of the covered population under this Plan. If the actual claim experience of the Plan is more favorable than assumed, future costs will be lower. Alternatively, if the actual claim experience of the Plan is less favorable than assumed, future costs will be higher.

## NOTES TO FINANCIAL STATEMENTS

### Note 8. Post-Retirement Benefits (continued)

The Plan participant data was not available at the level of detail that is typically used in valuations of this type. Therefore, the Plan's consulting actuary used reasonable and appropriate extrapolation techniques pursuant to Actuarial Standards of Practice (ASOP No. 23) on Data Quality to develop the data that was needed for valuation purposes. These techniques included an additional data quality check analysis to determine if a liability offset was necessary to account for the effect of any potential missing retiree data. Based on this analysis, no further adjustment was required. The Plan's consulting actuary does not believe the use of this data creates a material bias in the calculation. Other significant assumptions used in the actuarial valuation are as follows:

	2012	2011
Weighted Average Discount Rate	3.75%	4.25%

#### *Mortality Assumption*

##### Healthy:

Active	RRB Table S-4	2006 RRB Active Service Mortality Table (Unisex).
Retired	RRB Table S-1	2010 RRB Annuity Mortality Table (Unisex), Set Back One Year for Future Retirees.
Disabled	RRB Table S-2	2010 RRB Disabled Mortality Table for Annuitants Qualified Under Social Security definition of Disability.

#### *Termination Assumption*

RRB Table S-12 – 30 Year Select and Ultimate Table.

#### *Disability Assumption*

RRB Table S-11 – Rates vary by age and service.

#### *Retirement Assumption*

RRB Table S-210 – Rates vary by age and service, average age is 62.

*Note: The demographic assumptions shown above were developed by the United States Railroad Retirement Board (RRB), Bureau of the Actuary, for use in the December 31, 2010 valuation of Railroad Retirement Benefits. This is the most recent valuation available to the Plan's consulting actuary. The table numbers referenced above correspond to the assumption section of that valuation.*

## NOTES TO FINANCIAL STATEMENTS

### Note 8. Post-Retirement Benefits (continued)

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the post-retirement obligation.

### Note 9. Other Plan Benefit Obligations

Plan benefit obligations as of December 31<sup>st</sup> for health claims payable, current insurance premiums payable, health claims incurred by participants but not reported as of that date, accumulated eligibility of participants and extended benefit coverage available to Plan participants are estimated by UnitedHealthcare. Such estimated amounts are reported in the accompanying statement of Plan Benefit Obligations at present value. Based on the current nature of the obligation, generally within three months of year end, discounting the obligation was not necessary.

Significant assumptions used in the calculation include the following:

	2012	2011
Run-Out Factor:		
Health Claims:		
On-Duty Injury Claims	2.00%	2.00%
Other than On-Duty Injury Claims	1.10%	1.10%
Prescription Drugs	0.50%	0.50%
Administrative Load:		
On-Duty Injury Claims	8.90%	8.90%
Other than On-Duty Injury Claims	6.70%	6.70%
Bank Float	10.69%	14.48%

Upon termination of a Plan participant's coverage, the Plan may provide limited coverage of benefits for injuries that occurred, and sicknesses or pregnancies that commenced before or while the participant was covered by the Plan. The availability and length of coverage provided by this provision of the Plan varies depending on the Plan participant's benefit election, relationship to the covered employee and condition upon termination of coverage. An obligation for this contingent liability has not been recognized in the Plan's financial statements because the amount expected to be paid as a result of this obligation cannot be reasonably estimated.

The Plan Sponsors are of the opinion, based on all available known facts, that the amount expected to be paid with respect to this contingent liability would not have a material effect on the financial position or results of operations of the Plan.

## NOTES TO FINANCIAL STATEMENTS

### Note 10. Concentration of Participating Railroads

There are approximately 40 railroads participating in the Plan, of which 4 Class I railroads comprised approximately 88% and 89% of the total Plan activity as of December 31, 2012 and 2011, respectively. This activity includes, but is not limited to, participating railroads' contributions receivable and amounts due from participating railroads as of December 31, 2012 and 2011, and participating railroads' contributions for the year ended December 31, 2012 as follows:

## NOTES TO FINANCIAL STATEMENTS

### Note 14. Risks and Uncertainties

The Plan investments consist of funds held in money market funds with SunTrust. This investment, along with the premium stabilization reserve with Metropolitan Life Insurance Company, is exposed to credit risk. Due to the level of risk associated with these investments given the current economic condition and uncertainty in the market place, it is at least reasonably possible that changes in the value of these investments may occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and changes in net assets available for benefits.

The total obligations other than post-retirement obligations (health claims payable, claims incurred but not reported and extended benefit coverage obligations), as calculated and reported to the Plan by UnitedHealthcare, and post-retirement benefits, as calculated and reported to the Plan by the Plan's consulting actuary, are based on certain assumptions pertaining to administrative load, bank float, interest rates, health care inflation, average retirement age and other employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

### Note 15. Collective Bargained Agreement

A new Collective Bargaining Agreement (Agreement) was reached between the bargaining parties represented by the United Transportation Union and National Carriers' Conference Committee on September 16, 2011.

Article III, Part A, Section 2 of the Agreement, which became effective January 1, 2012, established Plan design changes which have been summarized as follows:

- (a) Added a separate, stand-alone, Annual Deductible of \$200 per individual and \$400 per family for In-Network Services for which a fixed-dollar copayment does not apply.
- (b) Added an in-network 5% co-insurance provision, which includes annual deductible limits, for the Managed Medical Care Program
- (c) Provided increases, as well as decreases, to the current co-payment structure for the Managed Medical Care Program and Prescription Drug Program
- (d) Added a Radiology Notification Program for the Managed Medical Care Program and Comprehensive Health Care Benefit
- (e) Added a "Centers of Excellence Resource Services" specific to Bariatric Resource Services, Cancer Resource Services and Kidney Resource Services for the Managed Medical Care Program and Comprehensive Health Care Benefit

## NOTES TO FINANCIAL STATEMENTS

### Note 17. Collective Bargained Agreement (continued)

- (f) Added a prior authorization requirement and step therapy and quantity/duration limits for certain therapeutic drugs dispensed under the Prescription Drug Program
- (g) Added other voluntary resources and programs throughout the Plan

Article III, Part B, Section 1 of the Agreement established the following employee cost-sharing contributions:

- (a) Effective retroactively to January 1, 2010, the employee monthly cost-sharing contribution amount shall be \$200.00.
- (b) Effective retroactively to January 1, 2011, the employee monthly cost-sharing contribution amount shall be \$202.71.
- (c) Effective January 1, 2012, each employee covered by the Agreement shall contribute to the Plan, for each month that his/her employer is required to make a contribution to the Plan on his/her behalf for foreign-to-occupation health benefits coverage for himself/herself or his/her dependents, a monthly cost-sharing contribution in an amount equal to or lesser of 15% of the Carriers' Monthly Payment Rate for 2012 or \$200.00.\*
- (d) The monthly cost-sharing contribution amount shall be adjusted, effective July 1, 2016, so as to equal the lesser of 15% of the Carrier's Monthly Payment Rate for 2016 or \$230.00, unless otherwise mutually agreed by the parties during negotiations commencing when the Agreements become amendable.

\* The United Transportation Union and National Carriers' Conference Committee and National Carriers' Conference Committee subsequently modified the employee cost sharing contribution provision of the Agreement for the period July 1, 2012 through June 30, 2016. Effective July 1, 2012 each employee covered by the Agreement shall contribute to the Plan, for each month that his/her employer is required to make a contribution to the Plan on his/her behalf for foreign-to-occupation health benefits coverage for himself/herself or his/her dependents, a monthly cost-sharing contribution in an amount equal to \$198.

The provisions of this Agreement are substantially the same as those detailed above.
