Report on the Financial Statements

We were engaged to audit the accompanying financial statements of The Railroad Employees National Health Flexible Spending Account Plan (the Plan), which comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2020 and 2019, the related statements of changes in net assets available for benefits and of changes in plan benefit obligations for the year ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by SunTrust Bank, the trustee of the Plan, except for comparing this information with the related information included in the financial statements. We have been informed by the Plan Administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained certifications from the trustee as of December 31, 2020 and 2019 and for the year ended December 31, 2020, that the information provided to the Plan Administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

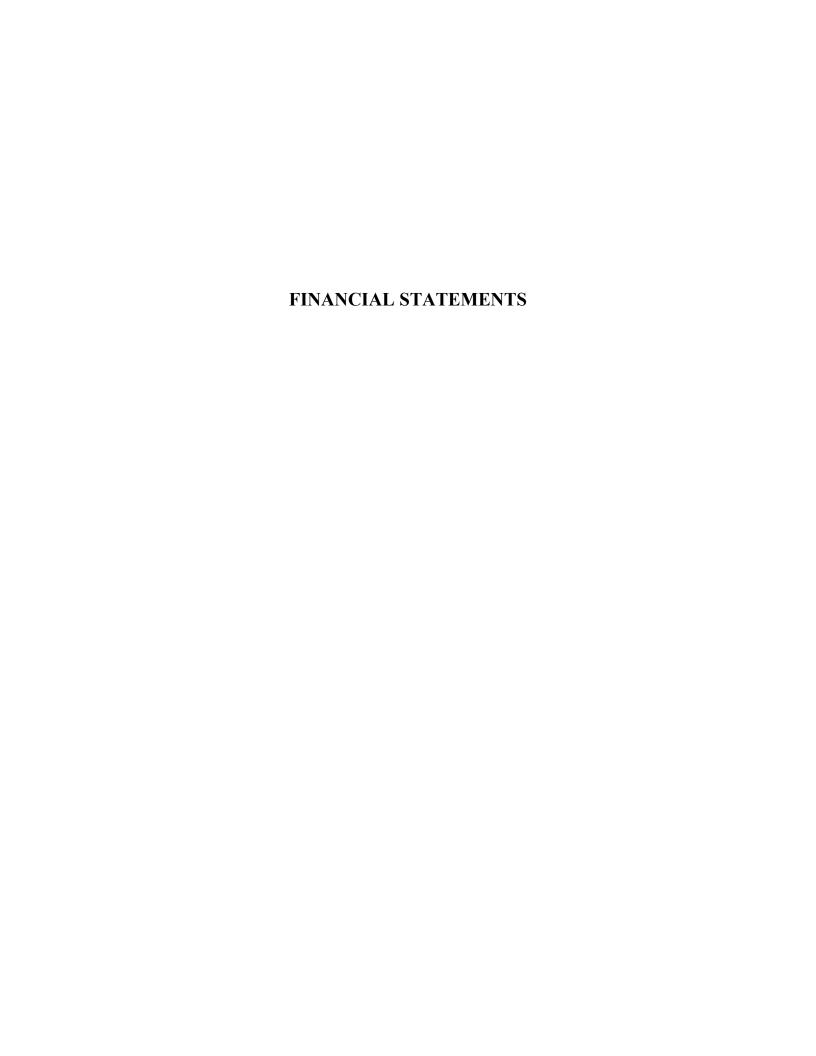

The supplemental schedules, schedule of delinquent participant contributions, schedule of assets (held at end of year), and schedule of reportable transactions, as of or for the year ended December 31, 2020, are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purposes of additional analysis and are not a required part of the financial statements. The supplemental schedules are the responsibility of the Plan Administrator. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan

The following description of The Railroad Employees National Health Flexible Spending Account Plan (the Plan) provides only general information. Participants should refer to the Plan's Summary Plan Description for a more complete description of the Plan's provisions.

General: The Plan and related Trust were established January 1, 2013 pursuant to collective-bargaining. The Plan is a defined contribution plan administered by the National Carriers' Conference Committee and is subject to the provisions of the Railway Labor Act, as amended, and the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits: The Plan allows a participant to use pre-tax wage deductions to pay for certain medical care expenses incurred that satisfy requirements established by the Internal Revenue Service (IRS) through a Health Flexible Spending Arrangement (Health FSA). Such use is limited to the participant's annual election for Health FSA benefits.

Eligibility: Upon satisfying the eligibility and coverage requirements, as outlined in the Plan's Summary Plan Description, a prospective participant must make an annual election to participate in the Plan.

Participant accounts: An individual account is maintained for each participant of the Plan. This account is credited for contributions provided by the participant and charged for all reimbursements made to the participant during the Plan year.

Regardless of the amount actually credited to a participant's account, the amount available to the participant at any time within a period of coverage shall equal the total annual Health FSA benefit election reduced by any prior reimbursements to the participant in the same period of coverage.

Vesting: Participants are immediately vested in their account. (See additional disclosure related to forfeitures).

Experience gains: If the Plan has an experience gain for the Plan year (the total of all amounts remitted to the Plan for the year plus earnings on such amounts exceeds the total amount of all reimbursements for health care expenses for the Plan year), then such gain shall be used to defray reasonable administrative costs of the Plan. Any remaining gain shall remain in the Plan to defray reasonable administrative costs of the Plan for subsequent years or, at the Plan Administrator's discretion, may be distributed in any manner permitted by the Internal Revenue Code (IRC) and ERISA.

Payment of benefits: Benefits will be paid for eligible health care expenses submitted by a Plan participant and received by the Plan Administrator no later than March 31st following the close of the Plan year. (See Note 10, Contingencies, to see how the CARES Act has impacted this provision of the Plan for the plan year ended December 31, 2020.)

Any benefit check sent to a participant that is not cashed within ninety (90) days of the date on which it is issued shall be forfeited, and the participant shall have no further right to receive reimbursement for the health care expenses for which such benefit check was issued, unless, within one (1) year from the date the check was issued, the participant demonstrates to the Plan Administrator's satisfaction that the check was not received.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan (Continued)

Forfeitures: In addition to the forfeitures noted above, any balance remaining in the participant's account as of March 31st for the preceding Plan year, December 31st, will be forfeited by the participant and will remain in the Plan to defray reasonable administrative costs. (See Note 10, Contingencies, to see how the CARES Act has impacted this provision of the Plan for the plan year ended December 31, 2020.)

Period of coverage: In general, the period of coverage for a participant shall commence on January 1st and terminate on December 31st of the Plan year. In addition, if the participant has unused amounts in their Health FSA account and remain a participant or Consolidated Omnibus Budget Reconciliation Act (COBRA) qualified beneficiary on the last day of the Plan year, their period of coverage will continue through March 15th of the year immediately following the Plan year.

However, in the case where a participant ceases to remain eligible to participate in the Plan, the period of coverage will terminate on the date on which the participant's eligibility terminates.

Funding: The Plan is funded through participant contributions. If the Plan experiences a shortfall, the Plan will either borrow the funds necessary to pay claims or require the participating employers to make supplemental contributions to cover the shortage.

Tax status: The Plan has filed for a determination letter from the IRS regarding the Plan's qualification under the related trust's tax-exempt status under the provision of Section 501(c)9 of the IRC. The Plan Administrator will make any changes deemed necessary to ensure that the Plan is granted tax-exempt status. Representatives of the Plan Administrator believe the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC and, accordingly, the trust's net investment income is exempt from income taxation. However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2020 for unrelated business taxable income.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Plan termination: In the event of termination of the Plan, the Trust's remaining assets will be used to provide for the payment of any and all obligations of the Plan. Such payments shall be for the exclusive benefit of the Plan participants and beneficiaries and to defray the administrative expenses of the Plan.

NOTES TO FINANCIAL STATEMENTS

Note 2. Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and plan benefit obligations, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Valuation of investments and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Fair value of financial instruments: The Plan Administrator believes the carrying value of financial instruments, as stated in the financial statements, approximates their fair value.

Payment of benefits: Claim payments are recorded when paid by the Plan.

Participant contributions and contributions receivable: Employee contributions are remitted to the Plan on at least a monthly basis in accordance with the participant's annual Health FSA benefit election. Employee contributions are recognized as revenue in the Plan year to which the annual election amount relates.

Participants' COBRA contributions: Participants who experience a qualifying event, as defined by Federal COBRA guidelines, may self-pay to continue coverage in the Plan for a limited period of time. Participants' COBRA contributions are recognized when due and payable.

Allowance for doubtful accounts: The Plan utilizes the allowance method to account for uncollectible receivables. Unless otherwise noted, an allowance for doubtful accounts for the Plan's receivable balances is not considered necessary as probable uncollectible amounts have been determined by the Plan Administrator not to be significant to the financial statements.

Claims payable: Claims payable includes benefit obligations related to claims incurred but not paid, and amounts accrued for benefits through the period of coverage for Plan participants and COBRA qualified beneficiaries as of December 31st.

Forfeitures: Forfeitures are recorded in the year in which they occur.

Subsequent events: The Plan Administrator has evaluated subsequent events through October 14, 2021, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

Note 3. Information Certified by the Plan's Trustee

The following investments are held by a bank administered trust fund and were certified by the trustee, SunTrust Bank, as complete and accurate.

^{*} Investments held as of December 31, 2020 and 2019 were in Federated Treasury Obligations MM-I #68 FFS.

The investment activity reported on the schedule of assets (held at end of year) and schedule of reportable transactions was also certified by the trustee, SunTrust Bank, as complete and accurate.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

Note 4. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides the framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements (Continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The valuation methodology used for assets measured at fair value as of December 31, 2020 and 2019 is as follows:

Money Market Funds: Shares of a money market portfolio are considered cash equivalents and is valued at their carrying amount due to their short-term nature.

The following tables present by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2020 and 2019:

	Assets at Fair Value as of December 31, 2020							2020	
		Level 1	Level 2		Level 3			Total	
Money market funds	\$	4,199,498	\$	-	\$	_	\$	4,199,498

Total assets at fair value	\$	4,956,407	\$	-	\$	-	\$	4,956,407	

Note 5. Forfeitures

Forfeitures arise when either a benefit check sent to a participant is not cashed within ninety (90) days of the date on which it is issued or when a balance remains (i.e., the total contributions made by a Plan participant exceed the total amount paid to that participant) in a participant's account as of March 31st for the preceding Plan year, December 31st. Forfeitures related to uncashed benefit checks amount to approximately \$172,458 and \$165,831 as of and for the years ended December 31, 2020 and 2019, respectively. Forfeitures related to unused participant account balances amounted to approximately \$205,959 as of March 31, 2020, which related to the year ending December 31, 2019. These forfeitures were used to defray reasonable administrative costs of the Plan. The CARES Act has extended the time in which a participant may submit a claim for benefit so there were no forfeitures as of the date of the financial statements for unused participant account balances as of December 31, 2020. (See Note 10, Contingencies, for additional information.)

NOTES TO FINANCIAL STATEMENTS

Note 6. Concentration of Participating Railroads

There are approximately 26 railroads participating in the Plan, of which participants of four railroads comprised approximately 89% of the total Plan population for the years ended December 31, 2020 and 2019, as illustrated in the following table:

	Percentage of To	tal Plan Activity
	2020	2019
Railroad:		
A	33.3%	34.6%
В	28.8%	26.6%
C	15.4%	15.6%
D	11.9%	12.5%

The following is a reconciliation of benefits paid to participants per the financial statements to the Form 5500 for the year ended December 31, 2020:

Benefits paid to or for participants as reported within the Form 5500	\$ 19,506,096

Benefit obligations currently payable to or for participants are recorded on the Form 5500 for obligations which arise as of December 31st but are not yet paid as of that date.

NOTES TO FINANCIAL STATEMENTS

Note 8. Party in Interest Transactions

The Plan paid administrative fees to service providers during the year that are considered party in interest transactions. This includes management fees paid to SunTrust Bank, the trustee of the Plan, for certain Plan assets invested in money market funds. These transactions are exempt from the prohibited transaction rules of ERISA.

Note 9. Prohibited Transactions

During 2020, an aggregate of \$404,819 of certain participating railroads' employee withholdings were not deposited into the Plan within the timeframe required by the DOL's regulations. These withholdings are included in the participants' contributions receivable balance as of December 31, 2020. All failures were corrected, either by the Plan Administrator or respective participating railroads, by depositing withholdings, along with contributions for lost earnings, to the Plan on or prior to October 14, 2021.

Note 10. Contingencies

A participant has one year from the date a check was issued for benefits, to contact the Plan Administrator, even though that check may not have been cashed within the ninety (90) days required by the Plan, and request to have that check reissued. If the participant satisfies the requirements as set forth in the Summary Plan Description, then an otherwise forfeited claim will become reimbursable by the Plan. As of December 31, 2020 and 2019, there were \$172,458 and \$165,831, respectively, in such forfeitures that are subject to this provision of the Plan. These amounts were excluded from the claims payable balances as of December 31, 2020 and 2019 and represent the maximum amount that may be paid by the Plan if all forfeited claims become reimbursable. The Plan Administrator is of the opinion, based on all available known facts, that the amount expected to be paid with respect to the forfeited claims subject to this provision would not have a material effect on the financial position or results of operations of the Plan.

Per the Plan's Summary Plan Description the deadline for submitting claims for the 2020 Plan Year was March 31, 2021. However, the CARES Act has extended the timely filing deadline to submit claims. Under the Cares Act, participants have until 60 days past the declared end of the pandemic to submit claims for the 2020 Plan Year, not to exceed 1 year after the filing limit. Therefore, participants could submit claims for the 2020 Plan year through March 31, 2022, unless the pandemic is declared over prior to that date. The Plan Administrator is of the opinion, based on all available know facts, that the amount of 2020 claims expected to be submitted to the Plan after March 31, 2021 would not have a material effect on the financial position or results of operations of the Plan.

Note 11. Risks and Uncertainties

The Plan invests in money market funds with SunTrust Bank. These investments are exposed to credit risk. Due to the level of risk associated with these investments given the current economic condition and uncertainty in the market place, it is at least reasonably possible that changes in the value of these investments may occur in the near term. Therefore, such changes could materially affect the amounts reported in the statements of net assets available for benefits and changes in net assets available for benefits.
