# INDEPENDENT AUDITOR'S REPORT

To the National Carriers' Conference Committee with respect to The Supplemental Sickness Benefit Plan Covering Railroad Shop Craft and Signal Employees

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The Supplemental Sickness Benefit Plan Covering Railroad Shop Craft and Signal Employees (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2021, the related statements of changes in net assets available for benefits and of changes in plan benefit obligations for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

#### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

#### Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# **Other Matters**

#### 2021 Supplemental Schedules Required by ERISA

The supplemental schedules, schedule of assets (held at end of year) and schedule of reportable transactions as of or for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

# INDEPENDENT AUDITOR'S REPORT

To the National Carriers' Conference Committee with respect to The Supplemental Sickness Benefit Plan Covering Railroad Shop Craft and Signal Employees

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The Supplemental Sickness Benefit Plan Covering Railroad Shop Craft and Signal Employees (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2021, the related statements of changes in net assets available for benefits and of changes in plan benefit obligations for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

#### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

#### Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# **Other Matters**

#### 2021 Supplemental Schedules Required by ERISA

The supplemental schedules, schedule of assets (held at end of year) and schedule of reportable transactions as of or for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

# NOTES TO FINANCIAL STATEMENTS

### Note 1. Description of the Plan

The following description of The Supplemental Sickness Benefit Plan Covering Railroad Shop Craft and Signal Employees (the Plan) provides only general information. Participants should refer to the Plan's Summary Plan Description for a more complete description of the Plan's provisions.

*General:* The Plan was established in 1973 pursuant to collective-bargaining to supplement the sickness benefits provided pursuant to the Railroad Unemployment Insurance Act for eligible railroad shop and signal employees of participating railroads. The Plan is administered by the National Carriers' Conference Committee and is subject to the provisions of the Railway Labor Act, as amended, and the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

*Benefits:* The Plan's supplemental sickness benefits are provided on a self-insured basis. The Plan is primarily administered by a third party administrator, The Hartford, pursuant to an Administrative Service Only contract.

*Eligibility:* Upon satisfying the eligibility and coverage requirements, as outlined in the Plan's Summary Plan Description, employees of the participating railroads are entitled to receive the benefits provided by the Plan.

*Funding:* The participating railroads' obligation to provide contributions to the Plan arises pursuant to the terms and conditions of the collective-bargaining agreements, plan document, and related practices. Contributions to the Plan are provided by the participating railroads in the amount determined after discussions with The Hartford. The railroads fund the obligations of the Plan on a monthly basis as they become due and payable during the year.

*Tax status:* The Trust established under the Plan to hold the Plan's assets received an exemption letter from the Internal Revenue Service (IRS) stating that the trust is tax-exempt under the provisions of Section 501(c)9 of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2021 for unrelated business taxable income.

In addition, the Plan and the Trust are required to operate in conformity with the IRC to maintain the taxexempt status of the trust. The Plan Administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

*Plan termination:* In the event of termination of the Plan, the Trust's remaining assets will be used to provide for the payment of any and all obligations of the Plan. Such payments shall be for the exclusive benefit of the Plan participants and beneficiaries and to defray the administrative expenses of the Plan.

# NOTES TO FINANCIAL STATEMENTS

#### Note 2. Significant Accounting Policies

*Basis of accounting:* The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

*Use of estimates:* The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

*Valuation of investments and income recognition:* Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

*Fair value of financial instruments:* The Plan Administrator believes the carrying value of financial instruments, as stated in the financial statements, approximates their fair value.

*Payment of benefits:* Claim payments are recorded when paid by the Plan. Amounts processed by the third party administrator, but not paid by the Plan and claims incurred but not reported as of December  $31^{st}$  are recorded as plan benefit obligations within the accompanying statements of plan benefit obligations.

*Participating railroads' contributions and contributions receivable:* Each participating railroad provides a monthly contribution to the plan as determined annually. Participating railroad contributions are recognized as revenue in the period in which the compensated service giving rise to the contribution is rendered.

Allowance for doubtful accounts: The plan utilizes the allowance method to account for uncollectible receivables. Unless otherwise noted (see Note 5), an allowance for doubtful accounts for the Plan's receivable balances is not considered necessary as probable uncollectible amounts have been determined by the Plan Administrator not to be significant to the financial statements.

*Amounts due from participating railroads:* The amounts due from participating railroads represent an unfunded commitment, pursuant to the collective-bargaining agreements, plan document, and related practices, by each participating railroad, to contribute to the Plan sufficient funds to enable the Plan to pay the benefits provided by it for that railroad's employees.

*Subsequent events:* The Plan Administrator has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

# NOTES TO FINANCIAL STATEMENTS

#### Note 3. Information Certified by the Plan's Trustee

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedules, obtained by management and agreed to or derived from information certified by Truist Bank, the trustee of the Plan. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that appears throughout the financial statements and ERISA-required supplemental schedules related to the following assets:

Investment at fair value:		
Money Market Fund	\$ 2,483,294	\$ 2,932,738

2021

2020

Truist Bank also certified to the completeness and accuracy of \$143 of interest related to the aforementioned plan assets for the year ended December 31, 2021.

#### Note 4. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides the framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

# NOTES TO FINANCIAL STATEMENTS

#### Note 4. Fair Value Measurements (Continued)

**Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The valuation methodology used for assets measured at fair value as of December 31, 2021 and 2020 is as follows:

*Money market funds:* Shares of a money market portfolio are considered cash equivalents and are valued at their carrying amount due to their short-term nature.

The following tables present by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2021 and 2020:

	Asset	ts at	Fair Value a	s of	December	31,	202	1
	 Level 1		Level 2		Level 3			Total
Money market funds	\$ 2,483,294	\$	-	\$		-	\$	2,483,294
Total assets at fair value	\$ 2,483,294	\$	-	\$		-	\$	2,483,294
		ets a	t Fair Value a Level 2	s of	December 3	31, 1	2020	Total
	 Asse Level 1	ets a		s of		31, 1	2020	
Money market funds	\$	ets a		¢		31, 2	2020 \$	

#### Note 5. Plan Benefit Overpayment Receivable

Pursuant to the Plan's Summary Plan Description, should a plan participant receive one or more types of certain subsequent payments from a government entity, another plan, or another insurance arrangement (see Plan's Summary Plan Description for a complete listing of these subsequent payments) in connection with a disability claim that has been paid by the Plan, the payment will reduce the basic benefit payable by the Plan and an overpayment will be created.

Upon receiving such a payment, the plan participant is obligated to repay the overpayment to the Plan. Generally, the overpayment is equal to the lesser of the disability claim paid by the Plan or the total amount subsequently received by the plan participant.

# NOTES TO FINANCIAL STATEMENTS

#### Note 5. Plan Benefit Overpayment Receivable (Continued)

Based on current and historical collection patterns, the Plan Administrator has determined that any amounts not repaid by plan participants within one year of receipt of such payments will be deemed uncollectible. The following table represents the balances of the plan benefit overpayment receivable as of December 31, 2021 and 2020 which only includes amounts that have been reported to and recorded by The Hartford as of December 31<sup>st</sup>:

	 2021	2020
Total plan benefit overpayment receivable Allowance	\$ 1,545,333 \$ (1,360,662)	1,421,155 (1,226,582)
Net plan benefit overpayment receivable	\$ 184,671 \$	194,573

The gain contingency associated with the receipt of future awards that have not been communicated to The Hartford and recorded as an overpayment as of December 31<sup>st</sup>, may result in prospective overpayments to a participant and refunds receivable to the Plan. This gain contingency has not been recognized by the Plan because the Plan Administrator believes this amount cannot be reasonably estimated as of the financial statement date.

#### Note 6. Post-Retirement Benefits and Other Plan Obligations

The Plan provides no post-retirement benefits.

Plan obligations as of December 31<sup>st</sup> for claims payable and claims incurred by participants but not reported as of that date are estimated by The Hartford. Such estimated amounts are reported in the accompanying statement of plan benefit obligations at present value. Based on the current nature of the obligation, generally within nine months of the end of the plan year, discounting the obligation was not necessary.

For measurement purposes, the insurance underwriters at The Hartford developed monthly reserve factors using historical claim-cost data. The monthly reserve factors were applied to the monthly claims totals for the plan year on an incurred basis. The resulting claims obligation represents the total claims expense to be paid for all disabilities that occurred during the plan year. This obligation was then reduced by the claim payments made during the plan year and the resulting obligation, which represents an estimate of the total claims to be paid after year-end, was recognized for financial statement reporting purposes.

# Note 7. Concentration of Participating Railroads

There are approximately 33 railroads participating in the Plan, of which 5 participating railroads comprised approximately 86% and 84% of the total Plan activity as of and for the years ended December 31, 2021 and 2020, respectively.

# THE SUPPLEMENTAL SICKNESS BENEFIT PLAN COVERING RAILROAD SHOP CRAFT AND SIGNAL EMPLOYEES

# NOTES TO FINANCIAL STATEMENTS

# Note 7. Concentration of Participating Railroads (Continued)

This activity includes, but is not limited to, participating railroad contributions receivable and amounts due from participating railroads as of December 31, 2021 and 2020, and participating railroads' contributions for the year ended December 31, 2021 as follows:

	Percentage of To	Percentage of Total Plan Activity					
	2021	2020					
Railroad:							
А	27.7%	28.2%					
В	22.3%	18.9%					
С	14.6%	14.0%					
D	11.3%	11.0%					
E	10.0%	11.9%					

## Note 8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the accompanying 2021 and 2020 financial statements to the Form 5500:

	2021	2020
Net assets available for benefits as reported within the financial statements Benefit obligations currently payable	\$ 11,218,477 (11,218,477)	\$ 12,615,809 (12,615,809)
Net assets available for benefits as reported within the Form 5500	\$ -	\$ 

The following is a reconciliation of benefits paid to participants per the financial statements to the Form 5500 for the year ended December 31, 2021:

Benefits paid to participants as reported within	
the financial statements	\$ 28,026,609
Add: Amounts payable at end of year	11,218,477
Less: Amounts payable at beginning of year	 (12,615,809)
Benefits paid to participants as reported within the Form 5500	\$ 26,629,277

Amounts currently payable to or for participants are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to December 31<sup>st</sup> but not yet paid as of that date and for incurred but not reported benefit claims as of December 31<sup>st</sup>.

# THE SUPPLEMENTAL SICKNESS BENEFIT PLAN COVERING RAILROAD SHOP CRAFT AND SIGNAL EMPLOYEES

# NOTES TO FINANCIAL STATEMENTS

# Note 9. Party in Interest Transactions

The Plan paid administrative fees to service providers during the year that are considered party in interest transactions. This includes management fees paid to Truist Bank, the trustee of the Plan, for certain Plan assets invested in money market funds. These transactions are exempt from the prohibited transaction rules of ERISA.

# Note 10. Risks and Uncertainties

The Plan invests in money market funds with Truist. These investments are exposed to credit risk. Due to the level of risk associated with these investments given the current economic condition and uncertainty in the market place, it is at least reasonably possible that changes in the value of these investments may occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and changes in net assets available for benefits.

A plan benefit overpayment receivable is recorded when an overpayment is communicated to The Hartford. The collectability of this receivable is determined by the Plan Administrator based on certain historical collection patterns. Due to uncertainties inherent in the communication, estimations, and assumptions process, it is at least reasonably possible that the timing of such communications and changes in these estimates and assumptions in the near term could materially affect the amounts reported in the statements of net assets available for benefits and changes in net assets available for benefits.

The total obligations for claims payable and claims incurred but not reported, as calculated and reported to the Plan by The Hartford as of December 31, 2021 and 2020 is based on certain assumptions pertaining to health care trends and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term could be material to the financial statements.
